
GLOBAL FINANCIAL DATA™

GFD had minor release to our live site and data set on 5/17/2019. See below for details on the changes

1. GFD did our annual review and went back to the data published on central bank websites to compare the data published on their websites with the data in the GFDatabase to make sure the values were consistent.
2. Updated historical data for indices
3. Added additional metadata for new GFD Indices
